FUMC APPROVES “VACCINATED” INDOOR WORSHIP

The indoor 8:30am worship service will now open up to a smaller worshipping crowd on May 2. Since the beginning of the pandemic in March 2020, those of you who do not have a computer or who are not able to attend the “VACCINATED” INDOOR WORSHIP services, here are a few pictures of the beginning of the 8:30am hybrid (live streaming and in person) service:

MIXED SENIOR SINGLES

Mixed Senior Singles is a group for mixed single seniors that are an older single who is looking for companionship, fun, information, or a chance to enjoy some food together. It's about "finding ways to enjoy the life we have ahead of us in the company of our peers," organizers say. More details to follow.
