A CANCELLATION

Fellowship Time, normally scheduled for this week, has been canceled. As of today (Wednesday), no one has signed up to serve as hosts or treat makers. If anyone feels led to serve in this way after worship on Sunday, please contact Pastor Leslie before Sunday.

IF YOU LOVE TO READ, THEN WE NEED YOU!

Liturgists are needed to serve during our worship service on Sunday mornings. To sign up to serve as a liturgist, click on this link: [FUMC Loveland: Worship Liturgists \(signupgenius.com\)](https://signupgenius.com/FUMC-Loveland-Worship-Liturgists).

LENTEN BIBLE STUDY

Lent begins this year on Ash Wednesday, February 14. Lent isn't only about sacrificially giving up something. It's also about adding something to your spiritual walk. Join us to explore our risk-taking Jesus through worship services, Lenten reflections and a fascinating Lenten book study, based on the book *Entering the Passion of Jesus*, by Dr. Amy-Jill Levine. You have two options to attend the book study. Wednesdays, February 14 - March 20, in Youth Range from 2:00-3:30 pm (led by Pastor Leslie, in-person and on Zoom). Mondays, February 19 - March 25, in Youth Range from 6:00-7:30 pm (led by Ann Kessler, in-person only). This will be our third, and final (for a while), study of Dr. Levine's engaging look into Jesus and the 1st Century New Testament world. Sign-up for the study at the Ask Me Desk. Or,

call or email Pastor Leslie at leslie@fumcloveland.com or (970) 667-0876 to sign up. Books cost \$13.50 and will be ordered on January 30. **Sign up by January 28!**

GUATEMALA MISSION TRIP IN NEED OF FUNDS

Pura Vida has worked for a period of 20 years in the country of Guatemala. In addition to their work in the fields of education and health, more than 2,000 volunteers from 40 states have helped to build adobe and cinder block homes for 49 families who were in extreme need of safe housing. These volunteers also helped in the construction of classrooms at Caserio Rosario and San Jose Pacho schools. Over 14 churches / organizations were represented with FUMC being prominent among them. We are headed to Guatemala on February 8-17 to build again and we are in need of approximately \$1,300 to completely fund this effort. You are invited to help by placing a check marked "Pura Vida Build" in the offering plate or going to www.puravida.org/fumc and making your contribution there. Thank you!

FELLOWSHIP TIME

Happy New Year! The new sign-up sheets for Fellowship Time are now posted on the kitchen door in Coy Hall. We are in need of host and treat makers on the 1st and 3rd Sunday of each month. Please sign up the next time you are at church or email Betsy Elliott at elliott1710@comcast.net Thank you.

FUMC WOMEN'S FELLOWSHIP

FUMC Women's Fellowship will meet Thursday, January 25 at 12:00 pm in West Coy Hall. Phyllis Wehrle will present the program. She will tell us about Susanna Wesley, the mother of John and Charles Wesley. Many people say that she is the Mother of Methodism, because of the strong influence she had on her children. Our project this month is to bring cans of fruit for the lunches that the Youth Groups have on Sundays. All women are welcome to join us for our meeting. To RSVP, contact Darlene Lowe at aldarlowe@gmail.com.

SUNDAY MORNING BUS DRIVERS NEEDED

FUMC is seeking volunteers who are good drivers and enjoy getting to know people and offering them a helping hand. If that describes you, then would you be willing to serve as a bus driver on Sunday mornings? (A special driver's license is not required.) Several FUMC members who are no longer able to drive have expressed interest in riding the bus to worship on Sunday mornings. We hope to have a small team of drivers - two to four - who will take turns so it isn't an every-Sunday commitment. If you're interested, or have questions before making up your mind, please contact Rev. Lee Anderson-Harris at lee@fumcleveland.com or 970-667-0876.

ADVERSE WEATHER POLICY

Since we're finally experiencing a dose of real winter conditions, we want to remind you of the follow adverse weather policy at FUMC. During the workweek (M-F), if bad weather forces Thompson Valley Schools to delay or close for the day, then the FUMC office will likewise delay or close for the day. FUMC ministry areas are encouraged to follow the same protocol for in-person gatherings. (A Zoom meeting is always an option.) Certainly, though, this would not preclude individual groups who already have building access to meet if they still desire to do so. Should we ever have a Sunday with extreme inclement weather and feel it's best to cancel the worship service, an e-news update will be sent out by 8:00am on Sunday morning. Please watch your emails for information and options. Plus, if you know FUMC members and friends who don't have email access, please take a moment to call them and give them the information.

There is no registration fee, and lunch will be provided; donations for lunch are welcome but not required. Please register with Pastor Lee in advance to have a good headcount. DID YOU KNOW?

132 access cards, fobs, and tags are presently assigned to staff, members, constituents and contractors. Several people stated recently they were locked out of various Holiday events. Interestingly enough, all had been issued cards, fobs, and tags. Remember, these cards, fobs, and tags are electronic keys. If you've been issued an electronic key, please conduct a search for it. That strangely shaped dark gray thingy hanging from your keychain is it. Maybe your fob is on a keychain you no longer carry. Your card could be hiding in an old purse or wallet. Perhaps your tag is in an old cell phone case, or stuck to an old cell phone. Once you've located your card/fob/tag, simply swipe it over the black keypad/readers at any of the three electronic entrances for entry. If the entry is locked, the LED will change from red to green, open the door, and enter. A green LED means the entry is already unlocked. (If you have searched carefully and are unable to find your electronic key, it is important that you contact Keith Flaming so that key can be deactivated and another assigned to you if needed.)
